### EVENTS BOOKING POLICY

**Coach Trips.** Please make sure you complete the appropriate booking form and send it to me, Helen Turner, with your cheque made out to South Chilterns Gardening in full, and **a stamped addressed envelope**, or pay direct to the bank in good time. If there is insufficient support for any trip, we reserve the right to cancel it. If however circumstances are such that you find you are able to come in the final week, please do still apply. If the trip is running and there is room on the coach, you will be more than welcome. Payments are non-refundable except in exceptional circumstances and at the discretion of the committee. Details of our refund policy on overnight trips will be published with the arrangements. It is necessary to have the name of any guests for insurance purposes, and you may like to give me a name and phone number for use in case of emergency. The coach will usually depart from the top of my lane (I have plenty of parking) and we always aim to leave on time - of we have a guided tour booked, it is essential we arrive as near to our estimated time as possible. Also if we are making any pick-ups en route, we don't want to keep people waiting outside. If you are held up in unexpected traffic, or for any other reason, please ring to let me know.

**Drive Yourself Visits.** Once again please try and book as far in advance as possible. Some of the gardens have a minimum number for group visits and it is very disappointing for all concerned to cancel and then find we would have had sufficient people after all.

**Talks etc.** Obviously we prefer bookings in advance to be certain there are sufficient people coming to make the event financially viable, and to enable us to calculate the amount of refreshments required. However, tickets will also always be available on the door for these events. Please feel free to bring as many friends as you can.
